Silicone Massage head that feels like a human hand

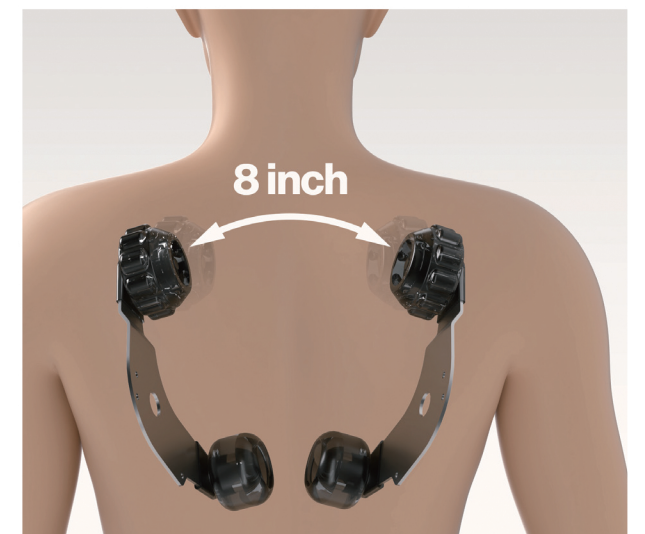

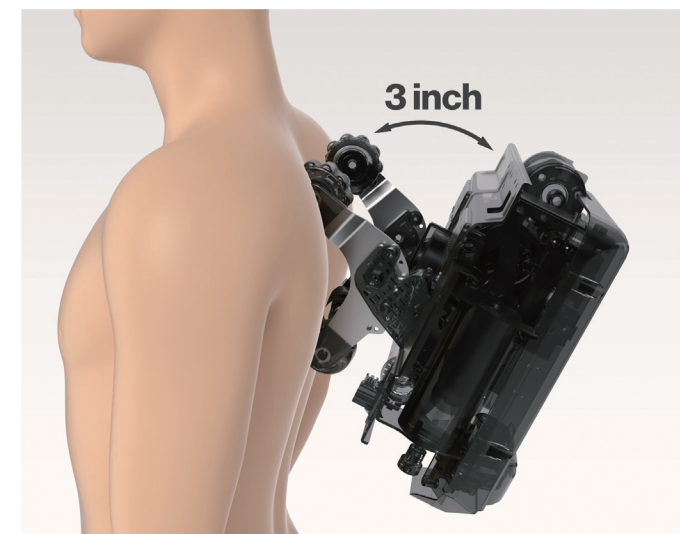

4D mecha (4ball) with silicone massage head

Designed with soft silicone massage head that mimic the gentle touch of a hand, providing a truly comforting massage experience. Experience unmatched comfort with silicone massage heads that mimic the gentle, natural touch of human hands, delivering a soothing and lifelike massage.

Full-back and Glute Massage

It targets everything from the narrow muscles along your spine to the broader muscles of your glutes, providing comprehensive relief and relaxation. The perfect coverage for your back, covering from 1-8 inches horizontally of your back. The 4D massage can reach as deep as 3 inches.

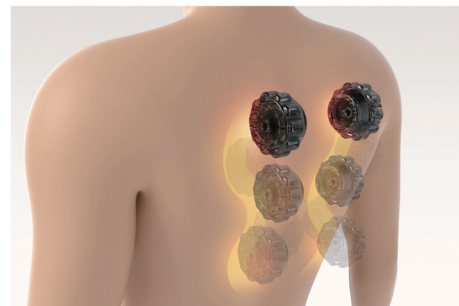

Flex SL Track

The 51.1-inch long flexible SL Track seamlessly follows the natural curve of your spine, extending from your neck to your glutes for a comprehensive and personalized massage experience. The flexible SL track can open up to a maximum of 164 degrees, enabling the chair to recline to various angles, including upright, zero-gravity, and lay-flat positions. This flexibility allows for a more personalized and comfortable massage experience, accommodating different user preferences and providing targeted relief.

19 Massage Techniques

It features 19 types of massage techniques, including kneading, tapping, stroking, and acupressure, simulating the actual massage process and offering various relaxation methods for different parts of the body.

3D Wavelet

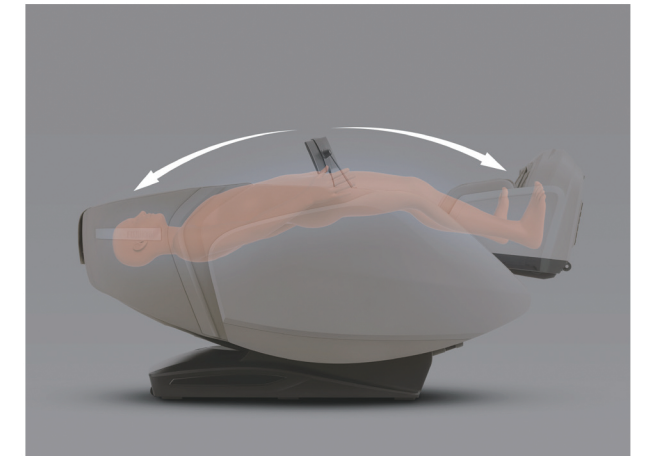

Deep Shiatsu

5 Special Stretch Courses

Experience Ultimate Relaxation with our 5 Special Stretch Courses: Thai, Dynamic, Static, Deep, and Relax. Each course is designed to provide a sense of overall comfort and ease.

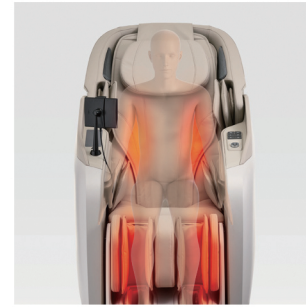

High Performance Air Massage with 40 Airbags and Soothing Heat

Strategically placed 40 airbags provide rhythmic compression to enhance blood circulation and relieve muscle fatigue. The soothing heat provides a comforting and rejuvenating experience, mimicking the gentle yet effective touch of a professional therapist.

Airbag Location

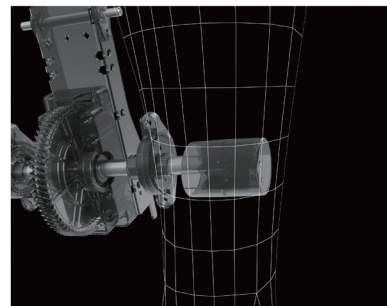

Heater Location

The ultimate Foot and Calf Treatment

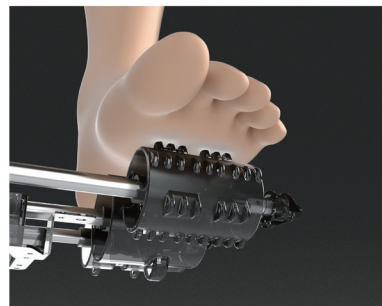

Experience our Comprehensive Foot and Calf Massage with soothing heat function. It features a large coverage area of the foot roller for a thorough foot massage, and a mechanical calf roller for deep calf muscle relief. Additionally, the airbag system wraps around your foot, providing a comprehensive toe massage.

Exclusive Foot and Calf Treatment

Calf (3D, roller)

Enjoy the gentle yet effective relief of our 3D calf air massage, designed to knead and relax with smooth upward and downward movements while squeezing.

Foot (3-roller)

Our 3-roller system targets key pressure points, providing a soothing massage to relieve fatigue and refresh your soles.

Automatic Leg Adjustment

Automatically adjusts to your height, ensuring the best foot massage position for optimal comfort and relaxation.

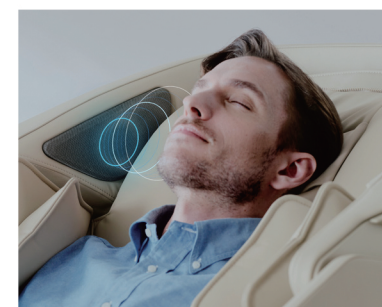

8-inch touch panel & user-friendly quick keys

Easily select massage courses with the clear, user-friendly high-definition touchscreen. R8-inch relaxation is just a touch away.

Effortlessly adjust intensity, modes, and duration with the smart, easy-to-use quick key controller.

Bluetooth Speakers

Enhance your relaxation with 7 soothing tracks of built-in music. The combination of massage and music delivers a sense of peace for both mind and body.

Wireless Charging port

Stay connected while you relax. With built-in wireless charging, simply place your phone on the charging pad and let it power up effortlessly.

LED Lighting System

Our massage chair features a Smart LED System: a steady light when turned on and a flashing light when turned off, enhancing both ambiance and usability.
